And Allah is Most Kind to His Slaves” (Al-Baqarah: 207)**

Under the Islamic Emirate in Afghanistan, may Allah bless and honor it, and in an unmatched act of courage, faith, resolve, reliance upon Allah, longing to meet Him (ﷻ), strong urge to please Him, and preference to what Allah has prepared for him; after patience and hardship, creative and innovative planning, and a successful double infiltration of the infidel enemy intelligence of Jordan and America, while war is ruse, the courageous Mujahid, the medical doctor, Abu Dujanah Al-Khurasani, Humam Khaleel Muhammad Abu Mallal, the famous preacher and writer on Jihadi websites on the internet, a Muhajir and Mujahid in Allah's Cause with his life and wealth, reached the peak of his efforts, and through the perfect kindness and protection of Allah, he set off towards the enemy, never turning his back, seek glad tidings from Allah. He plunged into the midst of the enemy and carried out a martyrdom operation, detonating his creative and perfect explosive belt which was hidden from eyes of those who do not believe in the Last Day, in the midst of American and Jordanian agents in Khost, Afghanistan, at night time on Thursday, Muharram 14, 1431 H (31-12-2009), avenging our good martyrs, as he himself wrote in his will: “In revenge of the commander Baitullah Mehsud, the commanders Abu Salih Al-Somali and Abdullah Saeed Al-Libi and others of our brothers, may Allah have mercy on them.”

May Allah have mercy on you, our dear Abu Dujanah, and may He raise your ranks in register of the inhabitants of Paradise. By the Lord of the Ka'bah, indeed you have succeeded, our dear Abu Lailah, Allah willing. You were truthful, and you became known. You set an example, and you were truthful in word and deed. You followed the speakers and writers before you. May Allah be pleased with you. Your patience, Jihad, and tolerance of hardships were in Allah's Cause. Your prayers and insistency was for Allah, and was your solitude and secret conversation. Thus, your reward is with Allah. Allah is your Lord and Protector, and Allah willing, our next meeting will be in Al-Firdaws Al-A'la, our dear beloved brother.

We ask Allah to bless what you left behind and your family.

Indeed your brothers continue on the path you took. They will never be neglectful, and they will never leave fighting the Americans, until they cause even worse destruction in the most amazing of ways. Let the Ummah be congratulated, and let them be proud of your likes.

**Allah is the Greatest, and all praise is for Him.**

**The concerned media center will tell of his story in a suitable media release, by the Help of Allah.**

**May peace and blessings be upon our Prophet Muhammad, and upon his family and companions and all others who follow them in goodness.**
